GREAT BUILDS START HERE

THE PBS DIFFERENCE

Every great project starts with solid foundations, and that is where we come in. Project Building Supplies has the best building supplies readily at hand, with advice and support to match. From large-scale commercial fit-outs to residential builds, we can sort you out with the best wall and ceiling products at competitive prices.

We are an experienced team and since 2012 have built a reputation for going above and beyond to help our customers get the job done. Based across 3 sites in Balcatta, Bunbury, and Vasse you'll find a handy team with the know-how, how-to and can-do, backed by our industry leading fleet ready to deliver to your door.

Great builds start with Project Building Supplies.

OUR FEATURE PROJECTS

Wellington St Student Accommodation - Icon Co. & Perth Drywall

Wellington Street Student Accommodation is a landmark project, as WA's tallest residential building. Comprising 39 levels with 483 beds, communal facilities and ground-level commercial tenancies, Project Building Supplies was engaged as the supplier for all of the internal framing and lining components. Goods were supplied fully wrapped, strapped and labelled for crane lifts on a floor-by-floor basis over the duration of the project.

PAY US A VISIT

Our stores are open to the public and visitors are welcome during business hours.
